GIFT VOUCHER TERMS AND CONDITIONS

1. Gift Vouchers are strictly valid for (12) twelve months and are not refundable but are transferable within the 12 month period. Gift Vouchers must be produced on the day of the Skydive. Lost Gift Vouchers require a \$25 replacement re-issue fee.
2. All tandem passengers are required to pay a \$33 fee, comprising a public liability insurance fee and an Australian Parachute Federation (APF) licence fee collected on the day of the jump. This fee is compulsory.
3. **All bookings are given an arrival time only. Please note that this is not a jump time**, as paperwork, briefing & gear up need to be completed. **We advise you to arrive with no Time Constraints. You should plan for this to be a full day's activity. We welcome family and friends to watch; please inform them to allow a full day.**
4. After booking in, a confirmation letter will be given to you, or sent by post, email or faxed confirming necessary details. At time of booking, validity of various package offers should be confirmed as we reserve the right to change without notice.
5. **Important Note:** If you fail to give minimum notice of being late, you will forfeit the \$100.00 deposit booking fee. No alcohol/recreational drugs are to be taken at least 8 hours prior to your arrival time. The Drop zone Safety Officer has the right to refuse anyone, if we believe them to be an unacceptable risk. You will not be able to jump and you will forfeit the \$100.00 deposit booking fee.
6. All prices quoted are fixed at time of booking. **Last minute cancellations or no-shows will result in loss of \$100.00 deposit booking fee.** When combining other package activities, full payment must be made at time of booking. If for any reason, we cannot complete your skydive on the given day, the other activities that you booked in for must go ahead. **Please note that prepaid (discounted bookings) are not refundable.**
7. **All electronic transactions conducted at the Dropzone attract a 4% surcharge for administration.**
In the event of a disputed transaction raised with your bank over a credit card transaction with us, we reserve the right to impose a \$50 fee to cover the provision of evidence to the bank.
8. **As safety is our main concern**, please understand that factors such as wind, cloud, rain, thermal turbulence & other factors such as air traffic can affect the time it takes to complete your group's Skydive activity. Weather can change for better or worse in minutes, and you can't skydive unless you're at the drop zone, so plan for delays.
9. **If we cannot complete your jump on the day you booked in, for whatever reason, you should be available to be rescheduled for another day, within 3 months from the original date of booking, if not you will forfeit your \$100.00 deposit booking fee.** As skydiving demand is seasonal, we may on some occasions need to reschedule your jump when there are fewer than 6 persons booked for a given day.
10. As aircraft are mechanical & periodically become unavailable, we reserve the right to change aircraft type without notice. On occasion, these aircraft changes, & Air Traffic Control (ATC), or the weather may require us to change our required altitude, and number of tandems in the aircraft. **Depending on the conditions on the day, the plane will climb to an altitude of between 10,000 -14,000 feet. (High Altitude) 5,000-8,000 feet "SOARE" (Low altitude)**
11. Persons who are aged 14 years to 18 years require parental /guardian consent. If your parents/guardians are not present on the day please contact us for consent forms, which need to be completed & witnessed by a Justice of the Peace (J.P.)
12. **Maximum weight is 115 Kg.** In special cases, passengers over 115 Kg may jump, subject to the Dropzone Safety officer's assessment. It will depend on the tandem passengers' level of fitness, and also the correct weather conditions on the day. As your Safety is our main concern. A Surcharge of \$55 for persons 95 Kg to 104 Kg will be applied. 105 Kg to 114kg a surcharge of \$110 will be applied. 115kg and above a surcharge of \$165 applies. Person's over 95 kg cannot do a low altitude ("SOARE") tandem skydive.
13. Those persons, who have SCUBA DIVED 24 hours prior to their jump, may not be able to skydive depending on the depth or duration of dive. Please confirm prior to booking.
14. The low altitude ("SOARE") Tandem skydive must be redeemed prior to the 23rd of February 2007, or upgrade to the higher altitude jump with a 12 months validity from date of purchase.
15. Medical conditions, which could affect your safety, should be discussed prior with your doctor. You must not be pregnant, or at high risk of a heart attack.
16. All tandem passengers will also be required to fill out Declaration of indemnity, Assumption of risk Agreement and declaration of health forms prior to undergoing training on the day of the jump.
17. It is the organiser's responsibilities to ensure the members of their group understand these terms & conditions.

I have read, understood & accept the above terms & conditions.

Name: _____ Signed _____ Date: _____

Booking in a date for your skydive:

Please contact our office on 02 9223 8444 or 1800 SKYDIVE (1800 759 3483) and advise the date and time you would like to book in for. Please don't leave the jumping day to the last moment. Under special circumstances the gift voucher may be extended for an additional charge but there are no guarantees.
